- Rana suggested to diversify our options and other members agreed
- We will continue our efforts with Mahabub as we have been doing for last few months. In addition, food bags will be distributed thru Noman and Polash. We can also send money to Ankur/Sonjog since the situation in flood areas are terrible and badly need food support.
- Food bags should be distributed to areas with critical needs. Pavel, Fahmida, and Hasan will work with Mahabub, Noman, and Polash to select these areas and amount to spend.
